- Sew ¼" seam across the top, leaving a 2" opening, press seam open.

- Fold the bottom so that the seam is in the middle.

- Measure up 3" from the bottom and draw a temporary line on the front and the back.

- Insert the Pellon Ultra Firm piece through the bottom opening. Align the Pellon with the drawn line and pin in place. Sew all the way around, very close to the edge of the Pellon.
- Tightly fill the bottom with poly fill. Use a ladder stitch to close the opening.
- Pour 2 – 3 cups of rice through the top opening (a funnel works nicely) then finish filling firmly with poly fill.
