Wacky Pillowcase

Main Piece	27" x WOF	(3/4 Yard)
Border Piece	9" x WOF	(1/4 Yard)
Accent Strip	3" x WOF	(1/8 Yard)

1. Lay 9" border piece face up on table.
2. Press the 3" trim piece in half the long way and lay folded piece on top of the border piece.
3. Lay main piece of pillowcase face down - lined up with border piece. All the raw edges of all three pieces should line up on the top edge.
4. Roll the main fabric from the bottom up and then fold the border piece up to the top (creating a tube) then pin all the raw edges together.
5. Stitch along the edge then turn inside out. You have a finished edge with all the stitching on the inside.

Finish the side with either a French seam or surge the edges together.

Congratulations, you have a beautifully finished pillowcase.

Enjoy,
